CERTIFICATE

This is to certify that the School buildings of Laureate Public School at Bharari has been inspected by me along with Junior Engineer concerned on 11.03.2024 and the School authority reported that these buildings are constructed in the year 1993, 2006, 2008 and 2014. These buildings are RCC frame structure, and load bearing structure. The building is a RCC frame structure. The building cannot be verified structurally but this building appears to be safe visually for occupancy. The structure stability certificate cannot be issued because this building has not been constructed by the HPPWD.

This Certificate is issued for the session 2024-25.
